Clothing: Use an apron or protective overalls to avoid staining of clothing

### **Section 9 - Physical And Chemical Properties**

Odour: Free from odour

Appearance: Fine gold powder.

### **Section 10 - Stability And Reactivity**

Chemical Stability: Stable

Conditions to avoid: Oxidation promoting conditions (heat/light)

Hazardous Decomposition: None Known

Hazardous Polymerization: Will not occur

### **Section 11 - Toxicological Information**

Inorganic pigment considered to be non-toxic.

### **Section 12 - Ecological Information**

Essentially not harmful to the environment.

### **Section 13 - Disposal Considerations**

Non hazardous waste. Dispose of in accordance with applicable local disposal regulations

### **Section 14 - Transport Regulations**

Not regulated. Considered non hazardous for transportation by land, sea or air.

### **Section 15 - Regulatory Information**

Europe: This product or its ingredients are listed on or are compliant with EINECS.

United States: This product or its ingredients are listed on or are compliant with the TSCA inventory.

### **Section 16 - Other Information**

Disclaimer: All the information in this data sheet is to the best of this companies knowledge true and accurate however it is the user's responsibility to satisfy their self as to the suitability and completeness of such information in relation to their own particular use.
